WRITING

Enjoyable Film

There are a lot of great films in the world. Now we have a big variety of film janrs. Everyone can choose own favorite one.

Well, I want to talk about my favorite film. I like fantasy, because it's so interesting and funny. My favorite film is "Avengers". This film is told about people who have impossible achievements. Thor is a god of energy. Tony stark is a great ingeneer. These men and their friends get together and save the world of bad character named loki. I am crazy about this film because it motivates me to do great things and dream about impossible. Besides, in this project take part my favorite actor Tom Hiddleston.

If you want to spend time alone or with your friend, ~~you will watch~~ you should watch this film. I would recommend the "Avengers" to teenagers who like fantasy and adventure ^{as} like I like it.

In conclusion, I would like to say that films is a way to spend our time very interesting and so funny.
