This film tells us about life of Adalin Bowman. Women which after disaster became a immortal. She hide information when she was born, her real name, because one time scientist trying to caught her for experiments, but she escaped. Every She avoid peoples and every ten years arrived in the new place. But once she meet a man, and her life changed. In result, she Adalin changed herself opinion and behavior about peoples.

This film shows us, that not to avoid of people. It's very bad idea because you might to living your life, and didn't live without life. We study to truth of peoples.

I would recommend it to peoples, which who want to get expensive emotions. All of peoples, who I recommend it, said me, that this film is very good.
