100.

**Write your review.**

**Comment on the following problem:**

**Elderly people who live alone should be taken care of.**

**Write 100–120 words.**

We live in a country where there are a lot of elderly people. Monitoring systems for sound are created. It's important for old people. It is important to hear what is happening around. Family can not worry about their elderly parents. For the elderly all possibilities are open. There are many technologies for people. But the most high-quality and reliable Chinese systems. In China have created: Robot Vacuum Cleaner, light items, Robot Assistant and more. For the elderly it is very convenient. This will help people spend a lot of free time. People should not worry. This is the most qualitative help.
