Dear Tom, ~~2~~ thank you for your letter. I live in Novy Oskol. My town is small and clean. We love our town very much. We take care of it. In spring we plant trees and flowers. We put litter in litter bins. I spend my free time very interesting. I have a ~~chance~~ chance to walk in the park or to mix with my friends. I think the weather is always fine in Russia. And especially in summer. When are you going to travel to Russia? With whom? How long do you want to stay in Russia?

Give my regards to your parents.

With best wishes,

Maria.

Dear Tom,

Thank you for your letter. I am glad that you are going to visit Russia.

I want to tell you about my small town. I am glad that it is clean and beautiful. Besides there are a lot of places to go to. For example, I can walk in the park, swim in the pool, play sports.

By the way, the weather is hot and dry in summer. You shouldn't take warm clothes with you.

I'm sorry, I have to finish because I have to do my homework. Write me back.

Love,

Anna

Dear Tom Green!

I'm happy to receive your letter. I live in a beautiful and calm town Novyy Oskol which is situated in Belgorod region. More than eighteen thousand people live here.

In my town there is a beautiful park, a rich Museum, a monument to Tsar Alexei Mikhailovich, the founder of our town. We have a lot of shops and cafes. I love my town and I enjoy living here very much. When I have free time, I go for a walk or go to the cinema.

I'm glad to hear you're coming to Russia next summer. I'll have great emotions, I hope. Summers in our country are always warm, so you'll have no problems with weather.

Will you travel to Russia with your parents or with your friends? What cities are you going to visit? Will you come to my town to see me? Write back soon. Lots of love, Nastya

Dear Tom Green,

Thank you for writing me a letter. I live in the city of Newy Oskol. It is not very big, the population is about 20 thousand people. Our city is friendly, all people are kind and help each other. We have in the city calm and quiet, very few violations. We have several attractions in the city. I have a lot of friends, everyone knows each other and helps everyone. If you need to buy any things that are not in the Newy Oskol, you can go to the neighboring town where it is available, convenient and go for about an hour. In my free time I walk in the Park, listen to music, draw and do sports. The last time was good, the rains are very rare.

What do you do in your free time? What kind of weather do you have? You have friends?

I hope we will exchange, I will wait from you a new letter.

Your friend Nastya

It's good that you are going to visit Russia.

There are so many wonderful places here. Our nature

The weather depends on where you want to go. In
most cities of Russia in the summer ^{is} hot, but there
are also places where you need to take a jacket

I would really like you to visit me this summer.
